15 February 1945

Mr. Tony J. Diederich  
Monroe, Nebraska

My dear Mr. Diederich:

On Tuesday, 13 February 1945, a Memorial Service was held in the Group Chapel in remembrance of those who were killed or who died during the last year, our second in the South Pacific Area.

A Catholic and a Protestant Chaplain, and a Jewish Officer participated in the service.

In our thoughts and prayers we also remembered those who are missing in the line of their duty. Your son was one of these.

I thought you would appreciate a copy of the program for this service.

Sincerely,

FRANK D. DENNIS  
Group Chaplain
