

NASHVILLE ARMY AIR CENTER (A.A.F.C.C.)
NASHVILLE, TENNESSEE

Tuesday 4/7

Dear Mom,

I received your letter this morning & I'm answering it right away. This will probably be the last letter you will get from me from here, because we are being shipped out in a couple of days.

I don't know why you haven't received the letters from me more quickly. I write to you every couple of days, & you should get a letter at least every 3 days. I am enclosing a pair of wings for you to wear. This is the regular insignia issued to us. I would have sent you one sooner, but I didn't think you would wear them.

The weather here has been pretty good for the past week or so. We have cold mornings & nights, but warm days. We wear overcoats in

The morning & at night, but during the day,
it is even too warm in just our shirts.

The meals here are not as good as they
were at first. Probably due to rationing. They
even give us vitamin pills once a day now.

I expect to go to town tomorrow
evening & have some pictures taken. I'll
send you some as soon as I get them.

Don't answer this letter until you get
my new address, because it will probably
be held up for about a month before it reaches
me if you address it here. I'll send you
my new address as soon as I get there.

Regards to Cecil, Onny, Al & "Greece" Grandma
& Grandpa.

Love

Marty
