Monday  
Dear Oney,

Everything OK here. The sunny south is freezing. Food is good too. The people down here are foreigners. I can't understand their language. We're going to movies tonight to see Jack Benny. regards to Mom, I'll write her soon.

Dear Ceil + Al,

Everything so far is fine. Plenty of good food + not much else to do. The weather is freezing though. The sunny south we're all set now & will begin our exams for classification. regards,

Marty
