

Grand Hotel

MAIN AT UNION
PUEBLO, COLORADO

Tuesday 11/16/43

Dear Mom, Oney, Cecil & Al,

I don't have enough time to write to each of you individually, so I'm consolidating it all in one letter.

I received all your cards & letters the other day, & I want to thank you for them. I haven't received any of the packages yet, but expect them any day now. I've gotten so many birthday cards, that I won't be able to catch up on my mail for a long time.

Right now, I'm at the hotel, & Pearl just came back. She is still looking for a place, & as yet, hasn't found one. She did see a house today, which she may be able to get, & we have also put our name on several waiting lists

"Pueblo's Newest Hotel"

for apartments & homes. We ought to get some-
thing pretty soon.

How is everything at home? How are
grandma & grandpa? I received their card, &
will write to them also.

Everything here is just about the same.
We still haven't started on real work, although
I did fly yesterday for the first time. We don't
go more than 100 mile radius, so there isn't much
for a navigator to do.

That's all there is to write now. I'll
write again soon. Thanks again for the cards,
& let me hear from all of you.

Regards,

Masty
