Dear Mom,

I still haven't received any mail from anyone, but I keep on writing just the same. The mail situation here is terrible, but maybe once the mail starts coming, it will come regularly - I mean my mail.

There isn't anything new to write you about. We are still going to ground school here, but I hope that we get through within the next week. It seems from the schedule, that we are getting toward the end of the ground school program, although it is supposed to last for 30 days.

Everything else here is just the same. The food is still good, & I hope it stays that way. We don't get any pork here, so that all the meat we get is lamb & beef. We do get spam several times a week, but it's not so bad as long as

we don't get it too often. We get cakes & puddings for dessert, but I miss Pearl's chiffon pies.

Besides school, about the only other activity we engage in, is to see a movie every night. That is the only form of amusement & recreation here, & it helps to pass every evening.

How are you & everyone else at home? Are you still working hard? I suppose that when I get your letters, I'll find a lot of questions that you will want answered. If I don't answer them, it's because it is not possible to do so, so don't say I never answer your letters.

Well, that's about all for now. Hope you are all well at home, & regards to everyone.

Love,

Marty
