Dear Mr. Painter

Thank you for your request. We have attached copies of the record cards for the B-24D, s/n 41-24016, and B-24J, s/n 44-40611. It appears that both aircraft were assigned to the Thirteen Air Force. The B-24D was dropped from inventory on 15 Jun 1944 and the B-24J was lost in combat on 10 Jul 1944. We have also attached a copy of the Missing Aircrew Report #6526. Please note that the microfilm copy of this report was of very poor quality. We made the best copy possible with the equipment available to us.

We hope this information is of value to you.

Sincerely

ARCHIE DiFANTE
