Mr or Mrs Morrison,

I am writing you this letter in hopes I may be able to contact some one of Richard A. Morrison's family. On July 27th 1944 I received a Telegram from the War Dept stating my Son Pilot. Walter E. Ball, was missing. On Aug 12 I rec another Telegram stating Killed in action July 13th 1944. I have a crew picture with all the Boys names and addresses. As you may know we are greatly concerned and upset. I sincerely hope you have not received the same as us.
